Mr H R Krishnamurti was transferred at first as a temporary measure, from the Shimoga College in 1899 He received no increment in consequence of his transfer, nor has he received any since except the ordinary periodical increment of his grade Ever since he joined the college he has been doing part of the mathematical work of the B A Class, and although many teachers doing such work were promoted to Class B II in 1902 he received no increment at that time Under the circumstances I hope that he will receive a special increment on this occasion

SIR,

In continuation of my letter No $\frac{7434}{428}$ dated 10 February 1935 and with reference to Government Order No B 3473 dated 17th May 1934 I have the honour to submit an application for promotion from Mr Hiriyanna M A Assistant Master Government Normal School Mysore. He is one of those who passed in all the subjects of the last Mysore Civil Service Examination I believe he is the only one of the successful candidates of that Examination who has not been favoured with some promotion or appointment in the higher graded service of the State. Mr Hiriyanna is a Mathematical Graduate and has been selected for some time in the Maharaja's College Mysore as a Practical Lecturer during Professor Rangaswami's deputation to the Palace. He has passed the A Examination in Sanskrit and also the L T Degree Examination after having undergone training in the Teachers' College. He has done very good work in the Mysore Normal School and has served in the Education Department almost continuously for more than 13 years. He has written a book on the Principle and Methods of Teaching in Kannada which is an unusually good text book and deserves encouragement. Under these circumstances I strongly recommend that he may be kindly given special promotion to Rs 170 in Class C III from 1 July 1935 when he will be entitled to Rs 170 in the same grade.

If my recommendation is approved to sanction this special

Qualifications and though I have already put in a Service of 13 years, I am at present getting a Salary of only Rs 120/- I humbly request that at the time of filling up the three Vacancies in the higher grades, that will occur at the end of the current month Government may be pleased to promote me to Class C II of Educational Officers On the Strength of my long service + of my special Qualifications for the Education Department and also on the Strength Of the preference which Government have already shown to as many as 10 out of the 13 Mysore Candidates that passed the Civil Service Examination of 1901, I hope that I shall not be deemed undeserving of the Consideration I pray for
